What we will do: day by day

Day 1 — Arrival and getting started

- Welcome meeting at the school: we introduce the program, the teachers and the group, and talk through the week.
- Short placement test, so that each participant is placed in a group that matches their level of Finnish or English.
- Two language classes: getting to know each other and practicing everyday communication.
- Walking tour of the city center of Jyväskylä: key places for students, the lakeside and the main streets.
- Two language classes in the afternoon, then free time.

Day 2 — University of Jyväskylä (JYU)

- Two language classes in the morning, with a focus on speaking and vocabulary for studying.
- Visit to the University of Jyväskylä campus and its library: how Finnish universities look and work from the inside.
- Short talk about student life, degree programs and how to become a JYU student.
- Two language classes in the afternoon.

Day 3 — A Finnish school

- Two language classes in the morning.
- Visit to a Finnish upper secondary school: open lessons, a look at the school day and a chance to talk with local students and teachers.
- Discussion afterwards: what is different in Finnish schools compared with participants' home countries.
- Two language classes in the afternoon.

Day 4 — JAMK University of Applied Sciences

- Two language classes in the morning.
- Visit to JAMK University of Applied Sciences: programs, labs and how studies are organized.
- Practical tips on choosing a field of study and language requirements.
- Two language classes in the afternoon.

Day 5 — Consultation and farewell

- Two language classes in the morning: review and a short speaking practice.
- Consultation on Finnish education and the application process: schools, universities, admission steps, deadlines and documents. Time for individual questions.
- Two final language classes.
- Farewell: certificates, feedback and group photo. Departure.

Total: 20 language classes (4 per day), 1 consultation on studying in Finland, 3 study visits.
